

Capital Area Science and Engineering Fair

School Registration Form

A non-refundable registration fee should be made by check payable to Capital Area Science and Engineering Fair must be enclosed along with this form. Students in Grades 7-12 are eligible to participate. The registration fee is **\$50 for every eligible grade level within a registering school. The registration fee covers 10 projects from the school. Additional projects may be entered at a fee of \$15/project and subject to available space.** (For Example: If your school has grades 9-12, your registration fee is \$200 since your school houses four eligible grades.) **Failure to comply with established deadlines may result in disqualification from the fair.**
